

Form to request moderation of illegal content in relation to an online platform under regulation (EU) 2022/2065 on the single market for digital services and amending directive 2000/31/EC (Digital Services Regulation) for OVANET a.s.

By filling in this form, you can notify our company OVANET a.s. of **any request for moderation** in connection with the provision of the online platform, within the meaning of the Digital Services Regulation. Your notification must contain all the elements listed in article 16(2)(a) to (d) of the Digital Services Regulation. If your notification does not contain all these elements, in particular taking into account your sufficiently substantiated explanation of the illegality of the content in question and the exact location, we will not be able to comply with such notification. If you provide us with your email address, we will be able to send you an acknowledgement of receipt of the notification and inform you of the decision regarding your notification, or communicate with you regarding the completion or clarification of such notification. Please complete the form and send it to our email address: ovanet@ovanet.cz.

first and last name or full name of the legal entity, the notifier ¹	
e-mail address of notifier ²	
exact URL of the information deemed illegal within the discussion forum and the name of the discussion forum	
additional and as detailed as possible information about the post to be moderated, including the author of the post, the date and time of the post, or the URL of the specific post or post thread
